

976nm Pluggable Fiber Coupled Diode Laser
K976FPACA 300W

BWT founded in 2003, is committed to the mission of "let the dream drive the light", the vision of becoming the "Global leader in laser solutions", and the value of "Outstanding innovation", providing diode laser, fiber laser, ultra-fast laser products and solutions to global customers.

The company pursues

976nm Pluggable Fiber Coupled Diode Laser
